SUBJECT: MTAG 03-03: LICENSE REVIEW FOR MACEDONIAN EXPORT
(S)

REF: STATE 227427

Classified By: Economic-Political Counselor Gregory E. Phillips for reasons 1.4 (B) and (D).

11. (S) On December 22, we met with Helmut Krehlik, Head of the Ministry of Economy's Export-Import Control Division, to request verification that the Austrian firm Geislinger GmbH was the end-user for the export of a filament winding machine from the Macedonian firm Mikrosam. Krehlik told Econ Unit Chief January 13 that he had spoken with the Sales Director of Geislinger, Mr. Aminger, on January 2. Aminger, according to Krehlik, verified that Geislinger was the end-user and that it would not re-transfer or re-export the filament winding machine.
